Deceptively spacious and boasting a large extension at the rear, this lovely home is perfect for a growing family with three double bedrooms, flexible living space on the ground floor, and is found near the bottom of a quiet and family-friendly estate!

Accessed via a large and bright entrance hall with access to a ground floor WC, you will then find yourself in a larger than average living room which enjoys double doors leading through to the rear extension creating a feeling of openness between the rooms but also ensuring they can be separated if necessary. The large rear extension is currently used as a dining and family room and has French doors leading out to the rear garden. The separate kitchen can be accessed from both the extension and the living room, where you will find a range of modern wall and base units including an integrated fridge/freezer, double oven, dishwasher, and a washing machine. From here there is also internal access into the garage which can be used as utility room or could be converted into an additional reception room if required.

On the first floor the master bedroom is found to the rear elevation and benefits from a range of fitted wardrobes and access off to a modern shower room ensuite. Both the second and third bedrooms are also big enough to accommodate double beds and additional furniture, making this a great property for anyone with two children! The accommodation is then completed by a modern three-piece suite family bathroom with a shower over the bath.

Externally there is off-road parking on a driveway at the front of the property for at least two vehicles, while to the rear there is a patio seating area and path that runs around a central lawn space, with a lovely private outlook. Perfect for enjoying the summer sunshine in!
