BUSINESS PARK
SOLIHULL

Quartz Point is an attractive and private crescent of office buildings arranged over ground and first floors, each designed to be fully self-contained with their own front doors, providing complete control of the space for the occupier.

The park provides the highest parking ratio (1:154 sq ft) of any equivalent office space along the M42 with ample car parking to the front of each building, a new 95 space car park extension, and additional parking

spaces available as required. The estate also benefits from existing EV charging points (pay as you go) for sole use of the tenants on the estate.

Each unit has dual access, providing additional layout flexibility, and can be easily configured into distinct reception, workspace, client-facing or breakout areas - without compromising on space per desk.

Specification

The buildings provide open plan, Grade A office space with a specification that includes:

- Comfort cooling and heating
- 150mm raised access floors
- Suspended ceilings with inset LED lighting
- Well-placed services for convenient fit-out.

Location

Quartz Point is ideally located at the heart of the M42 Corridor, the prime Midlands out-of-town office location. The park benefits from excellent transport links, with the M6 accessed within two minutes' drive, Birmingham International Station in less than ten minutes, and Birmingham and Coventry city centres reached in approximately twenty minutes.

Public transport connectivity is set to further improve with the planned opening of the HS2 Birmingham Interchange station, situated one mile south of the site and directly accessible for pedestrians.

Accessibility

The A452 and A446 provide direct dual-carriageway access to the motorway network at Jct 4 of the M6 and Jct 6 of the M42.

Birmingham International Airport and Birmingham International Railway Station are within a five minute drive of Quartz Point, which is located in close proximity to the NEC (National Exhibition Centre).

Directions

From M42 / J6
