LOCATION

Blackhall Rocks is a small coastal village located in County Durham. The village sits along the Durham Heritage Coast, known for its rugged cliffs, scenic views, and the beautiful beaches of the North Sea. The village itself is quiet and peaceful, with a mix of residential housing and areas of natural beauty with the wider area offering a blend of rich history and outdoor activities, with stunning coastal walks. The village supports a range of amenities including a Morrisons Daily, convenience store, hair dresser, café and a fish and chip shop.

The village is located approximately 4 miles to the east of the A19, and 5 miles north of Hartlepool, having great transport links to Hartlepool, Peterlee and Durham.

DESCRIPTION

The development site at Blackhall Rocks extends to 0.35 acres (0.14 hectares) and currently has a detached garage. The site is within close proximity to Blackhall Rocks beach, a popular location with dog walkers. The site benefits from full planning permission for a gated project including the demolition of the current garage building and the redevelopment of the site to three detached dwellings, two having a garage and single driveway and one having a double driveway. There are to be two additional visitor parking spaces so not to impact the current residents of Station Road. The proposed automated access gates add an additional element of security for the prospective property owners.

Full details of the planning permission can be found on the County Durham Planning Portal using reference DM/23/03698/FPA.

SERVICES

The property is not connected to any services.

INFORMATION PACK

An information pack containing additional information is available from the agent and contains the following documentation.

Title Documents
Planning Documents

MATERIAL INFORMATION

The property is not subject to Council Tax and is exempt from requiring an Energy Performance Certificate. It is understood that the property has access to a good broadband connection and has good outdoors mobile phone signal in this area, with Ofcom suggesting that indoors mobile signal is limited with most providers. We would advise prospective tenants to perform their own due diligence in respect of availability. With reference to data from the Environment Agency's Flood Warning Information Service there is a very low risk of flooding from surface water, rivers and sea.

MONEY LAUNDERING

Prospective buyers should be aware that in the event that they are successful they will be required to provide documents in relation to the current Money Laundering and Terrorist Financing Regulations. The extent of the required documentation will be confirmed to the purchaser (s) after acceptance of an offer.

TENURE

We are informed by the current vendors that the property is held freehold. The property is held on two titles, DU389316 and DU190521.

METHOD OF SALE

The property is offered for sale as a whole by private treaty.
