Situated in the heart of Freethorpe, the village is located to the East of Norwich with local facilities including public house, church and school. There is access close by to the A47 and the larger village of Acle which has a more comprehensive range of amenities including village shops, schools and train station.

SETTING THE SCENE

Set back from the road, a large lawned frontage can be found, with planted beds which screen the LPG tank. The driveway is a mixture of hard standing and shingle, leading to the adjoining tandem length garage with electric roller door to front. Gated access leads to the side, and a door leads into the main property.

THE GRAND TOUR

With a new composite door to front, you step into the main entrance hall with built-in storage and wood effect flooring. To your left, the sitting room is centred on an exposed brick fire place, with an inset cast iron wood burner. A bow window to front offers views over the front garden, whilst wood effect flooring runs under foot. Opposite, the first of the double bedrooms can be found - a versatile room which could of course be another reception room or study. Next up is the kitchen/dining room which is perfect for a round table. A range of free standing units with solid wood work surfaces forms the kitchen, along with space for a range style LPG gas cooker and further white goods. A useful stable door to side leads to a lean to laundry room/porch which takes you out to the rear garden. At the end of the hall, to your right the second double bedroom can be found, with the family bathroom in the middle, forming a three piece suite including tiled splash backs and a shower over the bath. The main bedroom is the other end, with a built-in wardrobe.

THE GREAT OUTDOORS

The rear garden is enclosed to three sides with timber panelled fencing - low level to rear to allow the field view to be enjoyed. Laid to lawn, various planting can be found, along with trees and shrubbery. Access leads to the front and to the adjoining garage. The garage is a tandem length with electric roller door to front, power, lighting, window and door to rear.
