THE GRAND TOUR

Heading inside, the hall entrance is tiled for ease of maintenance, with doors to the sitting room and kitchen. Stairs lead up to the first floor. Starting with the sitting room, a solid wood and part glazed door takes you into the light and bright reception room, with low level built-in storage, fitted carpet, and an exposed central ceiling beam. An inner hall provides an access to the W.C which is tucked away for guests - offering a two piece suite. Back into the kitchen/dining room, a part vaulted ceiling with Velux windows ensures excellent natural light, with a bespoke hand crafted kitchen with granite surfaces encompassing a central island. A ceramic butler sink is fitted, with space for an electric cooker, fridge freezer and further fridge. A door leads to the side, with a window and door leading out to the partly walled garden. Heading upstairs, the landing includes a range of exposed timber beams, with doors to the three bedrooms, all with electric storage heaters.
