SELLER'S SECRET

We've loved living here and we expect the new owners to enjoy the space and lovely location.
A really nice place to put roots down and relax, just as you would wish for in any long term home.
We have spent many hours just sitting in the garden enjoying peace quiet and the views beyond!

Why we like it....

We are so pleased to present this property which in our view has an ideal location in a quiet private road with open green space to the rear aspect.

The double garage is a big plus too and direct access to the house offers future possibilities for adding huge additional living space if desired.

To buy or not to buy....
