SELLER'S SECRET

"When a home embraces you and your friends, it feels like a treat. That has been my experience in this gentle and glorious space. I love that it has character, but with clean lines – a tricky balance to get right. This works and with shutters at almost every window, retro-style radiators and a cute log burner, there is a touch of swish as well as flow. With an incredibly generous patio and winding path to the joyful summerhouse, my hope is that someone can make the most of the landscaped garden, which has the potential to be truly exciting."

Why we like it....

"Rare is it that you come across a property so stylishly presented and we have the privilege of finding it's next owners. Conveniently located for Schools, Parks, Town and Travel links . For us though one of the stand out feature is the garden space and summerhouse/studio. Call us today and book your viewing to avoid missing out."
