SELLER'S SECRET

If these walls could talk, I'd love to see what they could say about the nearly 300 years this property has stood. I have managed to obtain a list of every purchaser and what they paid for the property, that I will leave for it's next owner.

Why we like it....

This is a timeless classic, like a Jane Austen novel and dates back to a similar time period. It offers a unique proposition for a purchaser to scribe there name in part of the rich, history of this home.
