# SELLER'S SECRET

We have loved living in Glenvale Park for the past 3 years and ultimately bringing our daughter into the world here, there is a real sense of community feel here with some great shops, community events and more to come to the development it's the perfect place to live.

## Why we like it....

This property offers a great first step, and a spring board for the Property ladder. With all the benefits of a new build but with out the expenses of putting in flooring and turfing the garden. Viewings highly recommended before it's gone.
