Glasswater Locks, a Berkeley project, is just a 5-minute stroll from the upcoming HS2 (Curzon Street) Station in Birmingham. Plus, it's adjacent to two of Birmingham's major universities - Birmingham City University and Aston University. This makes it a prime investment or potential home for future scholars. Available for off-plan re-assignment, the buyer stands to gain immediate equity as it's priced **£30,000 below the market rate**.
