About ROWLAND

Independently owned and dedicated to the creation of delightful developments, Rowland represents excellence in house design, construction and the creation of living communities.

Established in 1993, Rowland is an independent, privately owned house builder based in the North West of England - and we've developed a proud track record for offering customers a stylish range of high quality homes at affordable prices.

At Rowland, we believe in providing a varied portfolio of traditional, modern and contemporary houses and apartments in a range of sought-after and popular locations throughout the North West.

The environments that we create may vary in shape and size, but our commitment to quality means that all are built to the same exacting standards, whether it's a one-bedroom studio apartment, a detached family home or a luxury penthouse.

All Rowland homes incorporate eye-catching design features, whilst careful interior planning ensures that we maximise every square metre of available living space. The latest heating, glazing and insulation products combine maximum comfort with minimal maintenance, in keeping with today's busy lifestyles.

Our commitment to quality doesn't stop inside the home though. A good deal of time and careful planning goes into the layout of each development. We believe in creating thriving neighbourhoods, blending the development and areas of public open space into the local environment in a complementary and often spectacular way.

Whichever home you choose to buy and wherever you choose to live, we hope you'll find one to suit your lifestyle and enjoy the experience!

A mix of Victorian and Georgian architecture defines the town and its fine and proud history. Community, leisure, relaxation and social activity makes this popular coastal town what it is today. There's an eclectic mix of activities that unites this proud place and makes it special, as well as contributing to its distinctive local identity.

Great schools, upmarket shops, restaurants and bars, traditional pubs, world class golf courses, sports and leisure clubs are all an essential part of life's rich tapestry in this unique and special part of North West England. Not to mention the miles of wide open beaches and the natural beauty of the adjacent colourful countryside, which offers limitless opportunities for walking, cycling, horse riding and relaxing, with an opportunity for local wildlife and habitat to thrive and prosper.

Transport links are excellent, with local neighbours Blackpool and Preston just 10 minutes and 30 minutes' drive away by car or train, respectively. The M55 motorway is only 3.5 miles away and offers easy connection to the M6 at Preston and the wider motorway network beyond.
