Sudbury Road, Bures

£900,000 - £950,000 High Pale Farm is a beautiful Grade II listed former farmhouse, dating back to the mid-16th century with later Elizabethan and Victorian additions. The home has been sympathetically extended and remodelled, creating a versatile blend of period character and modern family living. Exposed beams, original fireplaces and elegant detailing are balanced with light-filled contemporary spaces, making this a truly special country home.

The reception hall sets the tone with natural stone flooring and leads to a series of inviting rooms, including a dining room within the Tudor heart of the house, complete with exposed timbers and an original open fireplace. A

snug/sitting room and further study offer flexibility, the latter with access to a Jack and Jill shower room. The vaulted kitchen and breakfast room is a striking feature, with full-height windows, a central island and access to the outside courtyard, creating the perfect space for both entertaining and everyday living. The main family room, with oak floors and a dramatic vaulted ceiling, opens directly onto a terrace, overlooking a feature pond as well as breathtaking views across the Stour Valley.

The first floor provides a principal bedroom with en-suite and views over the gardens, alongside two further bedrooms and a family bathroom with separate WC. Two additional bedrooms and a shower room are found on the

second floor, offering ample accommodation for family and guests.

The property is approached via a private driveway into a courtyard with a double car port and stabling. The landscaped gardens are a delight, with sweeping lawns, mature trees, herbaceous borders and a hen garden. A terrace with ornamental pond creates a tranquil setting for outdoor dining, while a paddock to the rear offers further space for equestrian or recreational use.
