Heathway, Great Waldingfield, Sudbury

This attractive two bedroom bungalow is of traditional cavity brick construction beneath an interlocking tiled roof and offers well-proportioned accommodation arranged entirely on the ground floor. The property benefits from uPVC double glazed windows and doors, replacement fascias, soffits and rainwater goods, upgraded electrics, and gas-fired central heating.

A former garage has been converted to create a spacious dual-aspect kitchen, allowing for a separate dining room with French doors opening onto the rear garden. The layout provides comfortable and practical living with bright, modern interiors throughout.

A covered porchway leads into a welcoming reception hall featuring carpeted flooring, loft access and contemporary internal doors. The sitting room is located at the front of the property and enjoys a wide picture window overlooking the driveway and front garden. An electric fireplace with a decorative surround forms an attractive focal point. To the rear, the dining room benefits from French doors with flanking windows opening onto the garden, creating a light and sociable space ideal for entertaining. The double-aspect kitchen enjoys views to both the front and rear and is fitted with a range of modern base units with granite-effect work surfaces and tiled splashbacks. There is an electric oven and hob, along with space and services for a fridge, freezer, dishwasher and washing machine. A combination boiler supplies

central heating and hot water. There are two well-proportioned double bedrooms, one overlooking the rear garden and the other to the front. The bathroom is fitted with a modern suite comprising a shower bath, vanity wash basin and low-level WC, complemented by stylish tiling and a heated towel rail.

The rear garden is enclosed and well maintained, featuring a patio, pathways, lawned areas and useful side storage space.
