## CHELTENHAM TRADE PARK

Cheltenham Trade Park industrial/trade units are of steel portal frame construction with brick and profiled steel clad elevations under profiled steel clad roofs with integrated roof lights. Typically each unit benefits from an up and over loading door and dedicated yard area to the front, with generous car parking. Internally, the unit provides an eaves height of 6.40m and benefits from ground and/or first floor offices, which incorporate suspended ceilings with heating and lighting.
