Description

The overall building is constructed with brick elevations under a pitched tiled roof covering. A reinforced concrete ramp located to the northern elevation provides access to the first floor residential accommodation which appears to be independent of the retail units. Each retail unit is understood to provide ground floor accommodation only.

It is rectangular in shape and comprises a reception/waiting area, partitioned staff kitchen and separate store/ server room. Accessible WC facilities are included towards the rear of the unit.

The fit out includes suspended ceilings, recessed lighting and carpet floor coverings. To the front elevation, there is a partial glazed display frontage with manual external roller shutter doors. Wall mounted electric space heaters are included. The rear personnel access door opens up into a service/ loading area.

The unit is fitted to include the following;

- Staff kitchen/canteen facilities
- Electricity and water supply
- Prominent frontage onto major Metro station
- Accessible W/C
- Recessed strip lighting

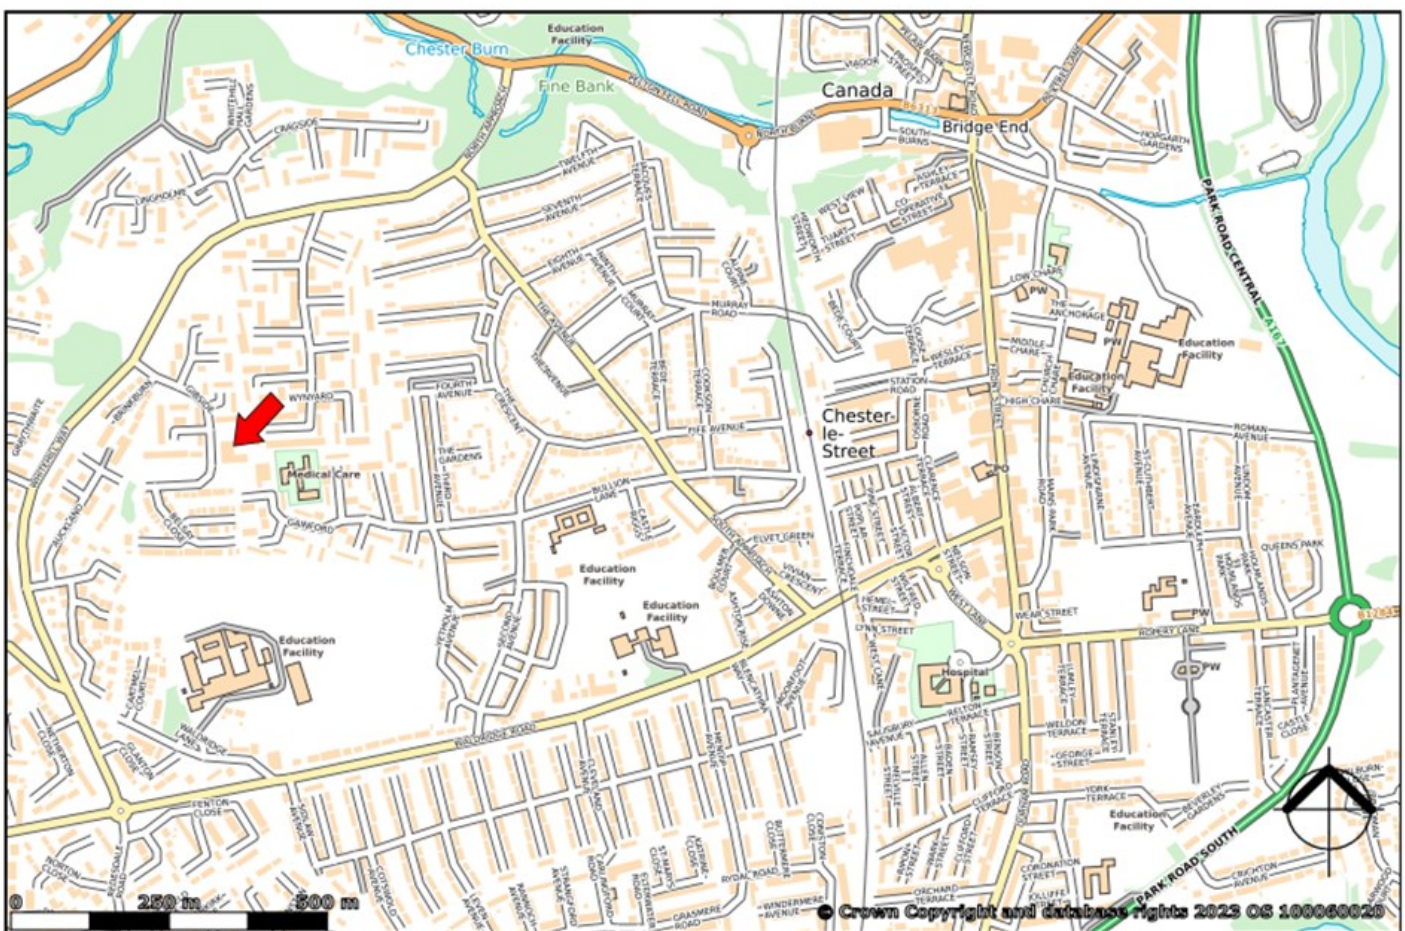

Location

The Subject Property is situated circa one mile west of Chester le Street town centre, in a predominantly residential area that is characterised by 1960/70's bungalows and semi-detached properties, alongside new build developments of semi-detached and detached properties.

The Property forms part of a small retail parade of six units with residential accommodation above. Neighbouring commercial occupiers include a Dental Practice, Convenience Store and Takeaway.

The Subject is accessed via the roadway known as Gibside, with car parking provided to the northern boundary of the overall site.
