WORLD CLASS WORCESTER

Located at the heart of England, rich in history, culturally diverse, industrially and economically robust, with a well qualified workforce and an excellent transport infrastructure, Worcestershire is an excellent location for business.

Worcester has become a hub for both expanding and aspiring businesses looking to take advantage of the area's excellent transport connections and skilled labour force. Worcester is well served by the M5, M42 and M50 motorways which provide great access to the region's key business centres and beyond. Businesses in Worcester are equally well-served by excellent rail connections, with regular services to Birmingham, London Paddington, Bristol and Cardiff. This will be further improved in December 2019 with the opening of Worcester Parkway, located 4.4 miles from Worcester Six and providing access to London in under 2 hours. International visitors benefit from excellent links to Birmingham International Airport.

With particular strengths in advanced manufacturing, agri-tech and IT – including a burgeoning cyber security specialism – the County attracts both internationally recognised businesses, such as Joy Mining, Yamazaki Mazak, Bosch, GKN, Halfords, Vax, Brinton's Carpets and Morgan Motors, together with a vibrant and ever-growing base of smaller entrepreneurial and start-up companies. It is also rapidly establishing itself as the ideal location for corporate headquarters.

Yet the jewel in Worcestershire's crown has to be the quality of life the County can offer. With stunning scenery, rich heritage, top class sporting and cultural attractions, Worcestershire has it all.
