Enjoy the ease of Zone 2

Bloom Camberwell's prime location allows for quick and easy access across South London and Central London via road and rail.

With Loughborough Junction rail station a mere 8-minutes' walk away, and Brixton and Oval underground stations both within a 25-minutes' walk, commuting to work is made a breeze.

This location offers direct access to the A23, A215 and South Circular Road which enables and supports better business operations.

The charm of Camberwell

Camberwell is an ideal destination to attract a wide range of employees. Beyond the leafy walks, Georgian facades and ever-growing number of restaurants and bars, a charming and creative atmosphere is thriving.

BLOOM ULTRA-URBAN WAREHOUSES

BLOOM CAMBERWELL

BLOOM ULTRA-URBAN WAREHOUSES

Fit for businesses

Bloom Camberwell has been designed to suit the needs of an enormous variety of different sectors. The flexibility of the space itself, alongside its amenities, make it ideal for sectors including last-mile logistics, trade counter, food and beverage, retail, film, manufacturing, e-commerce, dark kitchens, and many more.

BLOOM CAMBERWELL

Consciously built for the better

Bloom Camberwell encapsulates everything we're striving to deliver with an ultra-urban industrial estate. Heavily design led, it uses brickwork throughout the ground floor to mimic the street it sits on, while a shared, central facing yard looks to contain activity in one area and minimise any residential disruption.

But while it's good at blending in, there's so much that stands out. The development is aligned with the Paris Agreement, and is aiming for EPC A+ and BREEAM Excellent accreditation. It's car-free, bike-friendly, solar powered, and even has maximised PV density. If it's better for the environment and the people in it, we've done our best to include it.
