LLECHWEDD NANT LON

Wonderful, landscaped gardens surround Llechwedd Nant Lon, one of only a few properties with elevated views over Lake Vyrnwy. This enchanting stone-built cottage offers a rare opportunity to acquire a home full of character, charm, and breathtaking views across the Lake.

Offering a blend of traditional features and modern touches, the property is ideal for those seeking a peaceful retreat, or a unique family home with the potential for an income from the additional cottage, or as a separate annexe for family use.

THE PROPERTY

Approached via a sweeping driveway lined by a row of mature Douglas Firs, this exceptional property unfolds across a beautifully elevated setting, comprising the main residence, a charming secondary cottage, and substantial workshops—ideal for multi-generational living, guest accommodation, or creative pursuits. A slate pathway leads to the main entrance, opening into well planned accommodation. There are two reception rooms, a cosy sitting room with a wood-burning stove, and a generously proportioned conservatory that opens onto one of two full-length balconies—both offering serene vantage points over the breathtaking Lake Vyrnwy. There are two well-equipped kitchens, one with a dining area, a traditional Rayburn, and a delightful window seat perfectly positioned to enjoy the lake views. A walk-in pantry, additional storage, and a convenient downstairs shower room complete the ground floor.

Upstairs, four bright and spacious bedrooms are filled with natural light and enjoy uninterrupted views across the lake, gardens, and surrounding countryside.

A second balcony provides yet another opportunity to step outside and take in the remarkable scenery.

COTTAGE & WORKSHOPS

A further traditional stone-built cottage bursts with character, filled with natural light via the clear roofing to one side, a whitewashed stone interior and beautiful beams. There is a good sized kitchen featuring hand built units surrounding a butler sink and built in oven, and a shower room to the left. A spiral iron staircase rises to a mezzanine level bedroom overlooking the seating area which features a log burning stove. A great opportunity to be enjoyed as a holiday home.

There is a double garage and five extensive stone outbuildings, all of which retain character features and, whilst currently used as workshops and for storage, offer enormous scope for a variety of uses and potentially conversion to additional accommodation, offices, studios, or business use (subject to planning and permissions).

GARDEN AND OUTSIDE

Elegant parkland-style white railings lead onto mature, landscaped, gardens that offer exceptional privacy and seamless connection to the house. Designed for both relaxation and entertaining, the grounds feature a variety of tranquil seating / dining areas, all perfectly positioned to enjoy the breathtaking views of Lake Vyrnwy. The two balconies & conservatory are ideal for morning coffee, evening unwinding, and provide uninterrupted vistas and a peaceful retreat in all seasons.

The well-maintained grounds offer scope for further landscaping and the additional vegetable beds for further development, making it a versatile outdoor haven.
