Entrance Hallway

The entrance hallway is bright, elegant, and welcoming. It features light cream-colored walls that enhance the natural light coming in through a tall window on the left, partially covered with long, textured beige curtains. The wood-style flooring adds warmth and continuity as it leads into the adjoining room visible through a set of double interior doors with glass panes.

The white panelled doors and detailed trim add to the traditional aesthetic. On the right wall, there is a mounted intercom phone, for a secure entry system.

Office

Off the entrance hallway is a dedicated home office, styled in the same modern and refined aesthetic as the living spaces. Finished in soft neutral tones with quality carpeting and contemporary fixtures, the room offers a calm and professional atmosphere ideal for remote work or study. Generous natural light and well-placed electrical points make the space highly functional, while its clean, understated design allows for easy personalisation.
