## Help to Buy

Buy with just 5% deposit

Backed by HM Government

Help to Buy is backed by the Government and aimed at helping you purchase your first home.

The scheme is open to first time buyers, with regional price caps on the value of the property you are able to purchase. Please talk to one of our sales advisors for full details.

To use the scheme, you will need at least a 5% deposit. You may then be eligible to receive an interest free equity loan from the Government of 20% of the value of your new home, which means that you only need to secure a 75% mortgage.

## Here for you at every step.

At Ashberry Homes we know that when you are buying and selling a home it can be a time when you need support and guidance; that's why we are here to help you.

We strive to give all our customers an enjoyable house buying experience and help make their dream home a reality by being here for you at every step of the way.

Our expert team will be by your side to advise and guide you from the moment you first visit us right through to the completion of your purchase. We'll also be by your side on moving-in day to welcome you into your new home, helping to ensure your move goes smoothly. And we don't just stop when you have the keys. Should you need us, our customer care team is on hand to help with any query you might have, no matter how small.

We work hard to provide a level of service and customer care second to none to ensure you will have many years of enjoyment in your new home.

Help to Buy cannot be used in conjunction with other schemes. The equity loan must be repaid after 25 years, or earlier if you sell your property and is interest free for the first 5 years. From year 6 a fee of 1.75% is payable on the equity loan, which rises annually by RPI plus 1%. Help to Buy is subject to eligibility and may not be available on this development. Assisted Move is available on selected developments and plots only, subject to status and availability. Cannot be used in conjunction with other offers. Reservations can only be taken on homes released for sale once you achieve a sale on your own home, plots cannot be held whilst you are on the Assisted Move scheme.

## Ashberry Assisted Move

We can help get you moving

With Assisted Move our Intermediate Management Agent will work with a local estate agent to market your home at a price you're happy with, and we will pay the estate agent fees.

You'll receive regular updates, and could soon be moving into your new dream home.
