****GUIDE PRICE £300,000 - £325,000****

Positioned on a quiet cul-de-sac in one of Arnold's most desirable residential pockets, this extended 1960s three-bedroom detached home offers a fantastic blend of space, character, and practicality—set against a stunning backdrop of elevated views over Arnold and Daybrook.

The property sits behind a secure, well-maintained front garden with double-width driveway parking, a carport for one vehicle, and a ramped path leading to the front door, making for easy access. An internal porch helps keep the cold out and opens into a spacious entrance hall, where you'll find a downstairs W/C, understairs storage, and access to all principal rooms.

To the front, the bay-fronted dining room enjoys a beautiful curved 1960s window, complemented by two additional side windows that flood the room with natural light. A gas fire sits in the chimney breast, and the space is neatly set up for modern living with a wall-mounted television.

To the rear, the home has been tastefully extended, creating a double-length reception room perfect for both entertaining and relaxing. This bright and airy space features sliding doors opening onto the garden, a built-in speaker system, and two comfortable seating areas that give the room flexibility and flow.

The separate kitchen is fully fitted with integrated white goods and provides access to a handy pantry. A side door leads out beneath the carport to a detached garage with an automated up-and-over door, ideal for secure storage, workshop use, or future development potential.

The south-facing rear garden is private and peaceful, featuring a mix of lawn, flower beds, raised vegetable plots, and a shed—perfect for keen gardeners or those seeking a low-maintenance outdoor space. The garden enjoys excellent sun exposure throughout the day and is not overlooked.

Upstairs, the property offers three well-sized bedrooms. The principal bedroom mirrors the character of the dining room with its beautiful curved bay window. The second double bedroom benefits from fitted wardrobes and truly breathtaking elevated views over Arnold and Daybrook. The third bedroom is a generous single with built-in storage, ideal for a child's room or home office.

Completing the first floor is a clean and functional three-piece family bathroom with bath and shower, along with a separate W/C. Additional features include original stained glass detailing, loft storage, and a natural, spacious flow throughout the home that enhances its classic charm.

Located within easy reach of Arnold High Street, excellent transport links, top-rated schools, and open countryside, this property offers the best of town and country living. Homes of this style, setting and quality are rarely available—early viewing is highly recommended.
