Set at the end of a peaceful and private cul-de-sac in the highly desirable NG5 area, this outstanding four double bedroom detached home offers an impressive blend of space, style and comfort. With countryside views to the front, a double garage, ample off-street parking and generous internal accommodation, this extended family home provides the perfect setting for modern living.

On entering the property, you're welcomed into a grand entrance hall with tiled flooring, a central chandelier and an internal bridge overhead, offering a striking and elegant first impression. This bright and spacious hallway provides access to all the ground floor rooms.

To the front of the property is a versatile snug, currently used as an office, but equally suited as a cosy, extra reception room or guest bedroom. This space benefits from a bay window, integrated sound system, fadeable spotlights and soft carpets underfoot, creating a warm and comfortable atmosphere. Off the hallway there is also a modern downstairs W/C, along with a useful under-stairs storage cupboard.

The large main lounge is a beautifully presented room, bay-fronted to the front with open plan views through to the rear garden. Fitted carpets, a media feature wall with wall-mounted TV, and a concealed broadband and WiFi hub complete the space, offering a stylish yet relaxed environment for day-to-day living.

Open-plan access flows into an extended sunroom, designed for both practicality and style. With feature herringbone flooring, twin skylights, and LED strip lighting that adds a cool ambient glow in the evening, this space is ideal for hosting or dining. Bi-fold doors span the rear wall, opening out to the garden and filling the space with natural light.

Continuing through, the kitchen/diner is a true centrepiece of the home. Expansive in size and finished to an exceptional standard, the kitchen includes high-quality integrated appliances such as a double oven, four-way hob with built-in extractor, fridge freezer, dishwasher, and a wine fridge. A freestanding island with inset sink, while the wallside units offer both prep space and overhead storage. Hidden among the cabinetry is a custom-built coffee station, a clever and luxurious touch. A second set of bi-fold doors overlooks the garden, and a separate utility room offers further convenience. The entire space is finished with premium tiled flooring, combining practicality with elegance.

Upstairs, the impressive land bridge over the hallway below creates a striking open feel and adds architectural interest to the layout. Two forward-facing double bedrooms offer stunning field views and an abundance of natural light, each with twin windows and ample space. A third bedroom, also a large double, includes built-in storage and a well-appointed ensuite shower room, immaculately presented and finished with plush carpets.

The master suite is a true standout feature, providing a generously proportioned bedroom with wall-length fitted wardrobes, plush carpeting and dual windows with elevated views over the city. The accompanying ensuite is spacious and stylish, ideal for relaxed morning routines or evening wind-downs.

Outside, the south-facing garden is a real suntrap. Thoughtfully landscaped with a stone patio, neat lawn and a pergola, the garden offers privacy, functionality and space to enjoy all year round. Gated side access leads back to the front of the property. The detached double garage comes with power, lighting and additional loft storage above, making it perfect for secure parking, a workshop or further storage.

Located close to excellent local schools, with easy access to Arnold High Street, countryside walks and key transport routes including the A60, this home is ideally positioned for both convenience and lifestyle.
