A WELL-PRESENTED TWO DOUBLE BEDROOM SEMI-DETACHED HOME, SITUATED IN THIS SOUGHT-AFTER LOCATION WITH EXCELLENT TRANSPORT LINKS.

Robert Ellis are delighted to bring to the market this well-presented two double bedroom semi-detached property, positioned within a popular and established residential area of Watnall.

The property is ideally located for a wide range of buyers, with countryside walks close by, excellent access to major transport links including the A610 and M1 (Junction 26 and 27), Bulwell and Ilkeston train stations, Phoenix Park tram terminus and within catchment for the highly regarded Hollywell Primary School and The Kimberley School. Kimberley Town Centre is just 0.5 miles away, offering a range of shops and amenities, alongside regular bus routes to Nottingham City Centre. Easily accessible via a short drive or direct train journey to charming Peak District villages such as Matlock.

The property itself benefits from gas central heating and double glazing throughout and is arranged over two floors. In brief, the accommodation comprises an entrance hall, a bay fronted living room, and an open plan dining kitchen to the ground floor. To the first floor, there are two well-proportioned double bedrooms and a family bathroom.

Externally, the property stands back from the road behind a driveway providing off-road parking, alongside a laid-to-lawn front garden with mature shrubs and trees. A side gate leads to the enclosed rear garden which features a gravelled seating area and planted borders — ideal for families or those who enjoy entertaining outdoors. There is also a useful brick-built outbuilding to the rear, providing storage and housing the gas central heating boiler.

An excellent opportunity to purchase a lovely home in a sought-after location — perfect for first time buyers, young families, or those looking to move closer to countryside and excellent transport links.

Viewing comes highly recommended — call Robert Ellis today to arrange your appointment!
