The Accommodation

A traditional bay-fronted mid-terrace home, this property is set along the well-regarded and established residential setting of Hunter Street in Burton-on-Trent. Offered exclusively to landlords, the property is currently let and achieves a rental income of £525 per calendar month, an ideal investment opportunity. The internal accommodation is tastefully decorated and well presented throughout, beginning with a front entrance door opening into a welcoming lounge featuring a walk-in bay window, feature cast iron fireplace, and a double radiator, with open plan access through to the separate dining room. The dining room, located to the rear, includes a UPVC double glazed window and staircase rising to the first floor, along with an internal door through to the fitted kitchen.

Positioned at the back of the property, the kitchen is equipped with a selection of base and eye-level units, a cooker space with gas point, plumbing and appliance space for a washing machine, and a recessed area ideal for a fridge-freezer. A UPVC double glazed window and door provide access to the enclosed rear garden. To the first floor, the main double bedroom spans the front elevation and includes a UPVC double glazed window and radiator. A well-sized second bedroom is located at the rear, alongside a dressing area with built-in wardrobes and a cupboard housing the gas-fired combination boiler which serves the domestic hot water and central heating system. Completing the internal layout is the fitted bathroom, which comprises a low-level WC, pedestal hand wash basin, panelled bath with electric shower above, part tiling to walls, UPVC double glazed window, and radiator.

Externally, the property enjoys a front forecourt garden and benefits from a shared gated side entry, (only the entry is shared with the neighbour) leading to the rear garden. The rear garden is laid with a slab-paved patio, a lawned area with fenced boundaries, and includes a useful brick-built store. Conveniently located within walking distance of Burton Town Centre, the home is to be sold with tenants in occupation, and therefore will require either a cash purchaser or appropriate buy-to-let mortgage funding.
