The Accommodation

Occupying a slightly elevated position with charming rural views to the front, this well-presented detached home sits behind a dwarf brick wall with railings, a sweeping driveway, and a lawned front garden. A secure double-glazed front entrance door opens into a welcoming reception hallway with double radiator, staircase rising to the first floor, and access to a guest cloakroom featuring a WC, hand wash basin, UPVC double glazed window to the front, and a distinctive stained glass circular window to the side elevation.

The lounge diner enjoys a dual aspect, with a front-facing window framing open views across farmland and fields. The lounge features a fireplace with inset electric fire, radiator, and open access into a dining area with double radiators and UPVC French patio doors leading out to the private rear garden. The extended open plan kitchen diner is thoughtfully arranged in two sections. The main kitchen area includes a stainless steel double drainer sink, white fronted base cupboards and drawers, ceramic tiled flooring and preparation work surfaces. The extension offers a further range of base units and wall cupboards, integrated double oven, four-ring gas hob with extractor hood, American-style fridge freezer space, plumbing for a washing machine, inset ceiling spotlights, radiator, and UPVC double glazed window and door to the garden.

To the first floor, a landing provides access to the loft and leads to four bedrooms and two bathrooms. The master bedroom enjoys elevated views to the front over rolling countryside, with a double radiator, ceiling spotlights, and access to a stylish en suite bathroom. The en suite features a four-piece suite comprising a walk-in double shower enclosure, panelled bath with mixer tap, WC, vanity hand wash basin with storage below, double radiator, extractor fan, and a UPVC window to the rear. There are two further double bedrooms, the second overlooking the rear garden with built-in wardrobes, storage cupboard housing the hot water cylinder, and a UPVC window, while the third also offers fitted wardrobes and a view to the front. The fourth bedroom is a versatile single room, ideal as a child's bedroom or home office, and benefits from built-in furniture and a front-facing window with rural views. The UPVC double glazing is believed to have been installed within the last four years, and several of the front facing windows have an additional glazed pane for added sound and insulation benefits.

A separate family bathroom completes the first floor, fitted with a bath and electric shower over, hand wash basin, low-level WC, radiator, and UPVC double glazed window. Outside, the property provides generous off-road parking via a sweeping driveway, leading to an integral single garage which houses the gas central heating boiler. The rear garden offers a high degree of privacy, with a paved patio, lawn, purpose-built garden shed, mature shrubs, and screen-fenced boundaries.
