The first floor has three bedrooms and a refitted shower room. Benefiting from uPVC double glazing, gas central heating, no upper chain and immediate vacant possession, the home represents an excellent opportunity for first time buyers, families and downsizers alike, with viewings strictly by appointment only.

## The Accommodation

The accommodation opens via an open storm porch with quarry tiled flooring and entrance door leading through to a welcoming reception hallway, with upright radiator and staircase rising to the first floor accommodation. From the hallway, a door gives access to a useful guest cloakroom, fitted with a WC, hand wash basin with storage cupboard below, radiator and built-in shelving.

Positioned to the front elevation is a well-proportioned lounge, enjoying a walk-in bay window overlooking the fore garden. The lounge features laminate flooring and a double radiator, creating a cosy yet spacious main reception room.

To the rear elevation, the original kitchen and dining room have been opened through to create a superb open-plan dining kitchen, providing excellent everyday living space with ample room for family dining. The kitchen area is fitted with a wide selection of base cupboards and drawers with matching eye-level wall units, incorporating a stainless steel single drainer sink unit, built-in stainless steel oven with electric hob and extractor hood above, and space for an upright fridge freezer. Inset spotlights and ceramic tiled flooring complete the kitchen area and continue through to the dining space, which benefits twin radiators and a dedicated utility area with freestanding plumbing and appliance space for a washing machine, together with a single radiator and wall-mounted gas-fired central heating boiler. UPVC French patio doors open out onto the rear garden, allowing natural light to flood the room and creating a seamless inside/outside connection.

A particular feature of this home is the extended garden room located across the rear aspect, constructed in timber with insulated ceiling and skylight windows. The room enjoys a uPVC double glazed picture window overlooking the attractive rear garden, with French patio doors opening out onto the patio area and laminate flooring creating a versatile additional reception space, ideal as a second sitting room, playroom or home office.

To the first floor, the landing provides access to loft space via pull-down ladder, creating a valuable additional storage area. Internal doors lead to the master bedroom positioned across the rear elevation, with uPVC double glazed window and double radiator. A further double bedroom lies to the front elevation, enjoying a uPVC window, radiator and free-standing double wardrobe included within the sale. The third bedroom is extended and offers generous space for a single bed and wardrobes, enhanced by a fitted seating area, uPVC double glazed windows to the rear aspect and double radiator.

The shower room has been refitted with a modern contemporary white suite, comprising WC, ceramic hand wash basin with storage drawers below, fitted wall mirror, and a walk-in double shower enclosure with electric shower and complementary wall tiling. The shower room further benefits a double radiator and uPVC double glazed window to the front elevation.

Outside, the property is set back from the road behind an extensive block-paved fore garden providing a low maintenance frontage. To the rear elevation is a thoughtfully designed low maintenance garden, featuring artificial lawn, patio seating area and an open-air garden room with raised decking, creating an ideal space for entertaining and enjoying a good degree of privacy.

The property is uPVC double glazed and gas centrally heated throughout and offers a rare opportunity to acquire a generously proportioned family home within the ever popular village of Tutbury. The village provides a wealth of amenities including boutique shops, public houses and a vibrant community atmosphere, whilst also offering excellent access to nearby Burton-on-Trent, the

A38 and surrounding commuter routes.
