The Accommodation

A modern family detached home occupying a generous corner plot within the newly established Outwood's Meadows development by Bloor Homes, positioned in the desirable suburb of Outwood's alongside the village of Anslow. This delightful property sits on an established plot with front garden and low-level hedging, with a double-glazed entrance door leading to a welcoming reception hallway.

The reception hallway provides a useful below-stairs storage cupboard, single radiator, staircase rising to the first-floor accommodation, and a door leading through to the fitted guest cloakroom, which is appointed with a WC, hand wash basin, and single radiator.

A particular feature of the home is the spacious lounge positioned to the side aspect, enjoying a feature bay window to the side elevation and an additional window to the front, allowing an abundance of natural light. The room offers ample space for a variety of soft furnishings, benefits from a double radiator, and has a door returning to the hallway.

Unique to this design is the impressive open-plan living, dining and kitchen space. The kitchen area is fitted with a comprehensive range of white gloss-fronted base cupboards and drawers with matching eye-level wall units, incorporating a four-ring gas hob with extractor hood above, built-in double oven, concealed fridge and freezer, and integrated dishwasher. A UPVC double-glazed window overlooks the rear aspect, and a door provides access through to the utility room.

The remaining open-plan area forms a spacious dining and living area, offering room for both dining furniture and additional soft furnishings, with a double radiator, UPVC double-glazed window to the side elevation, and UPVC double-glazed French patio doors opening out onto the landscaped rear garden.

The utility room offers further storage cupboards, freestanding plumbing and appliance space for a washing machine and tumble dryer, and houses the wall-mounted gas-fired combination boiler supplying the domestic hot water and central heating system.

To the first floor, the landing has doors leading to all principal bedrooms, access to the loft space, and an airing cupboard. The master bedroom benefits from triple built-in wardrobes with mirrored sliding doors, UPVC double-glazed window, radiator, and a door leading through to the en-suite shower room. The en-suite is fitted with a double shower enclosure with thermostatic shower and complementary wall tiling, WC, hand wash basin, radiator, and UPVC double-glazed window.

There are three further generously proportioned bedrooms, with the second bedroom enjoying views over the well-maintained rear garden.
