****NO UPPER CHAIN****

Mulburries are very excited to exclusively present this remarkable six bedroom detached house onto the market in the Hemel Hempstead area.

The property has been renovated and decorated internally to the highest level of standard throughout. It is incredibly rare to find a property with such style and high standards in these parts. Impeccable thought and detail has gone into every room.

The home which covers just shy of 2400 square feet, has been completely remodelled to maximise its floorspace. The internals are luxurious and show home like, yet due to the intelligent use

of lighting, it remains feeling like a home you can relax in.

Comprising of an open porch area, entrance hallway, guest cloakroom, family room, open plan lounge, snug, kitchen/diner and utility room on the ground floor. Then a beautiful bespoke oak and glass balustrade staircase leads you up to the first floor, where you have four bedrooms, one of which is the principal bedroom with walk in wardrobes and en suite shower room. The main three piece bathroom features a jacuzzi tub and tv built into the wall. The second floor has two further double rooms, one of which would be a second principal bedroom with a further gorgeous four piece family bathroom including a freestanding tub, tv built into the wall and a walk in shower.

The second floor of this property offers versatile and flexible living accommodation.

The garden to the rear is landscaped low maintenance, with a marble patio and Astroturf which is accessible via fully opening bi-fold doors. The property also has off street parking for two cars.

There are too many added benefits to list here and an abundance of unique features not to be missed!
