Description

Situated on a quiet residential street in sought-after Trinity, 22 Darnell Road is an exceptionally spacious main door flat which forms part of a Victorian tenement building and boasts private gardens to the front and rear. A range of original features have been retained, and whilst presented as a one bedroom, the accommodation offers buyers the flexibility to utilise the space as a two bedroom property.

The accommodation comprises: tiled entrance vestibule; hallway with three storage cupboards (one of which is of walk-in size); spacious living room with wood panelled bay window, ornate coinciding, shelved press with glass display and feature gas fireplace; dining room with French doors opening to the garden, fitted storage unit housing the fridge/freezer, and pantry cupboard; well-equipped kitchen off the dining room with

base and wall-mounted units, integrated oven, dishwasher, stainless steel gas hob and extractor hood; double bedroom with expansive fitted wardrobes and original decorative fireplace; generously proportioned box room which would make an ideal home office or single box bedroom; and modern bathroom with shower over the bath, fitted storage and heated chrome towel rail.

Further benefits of this property include gas central heating via a well-maintained combi boiler, double glazing throughout and a range of period features including original stripped wood doors and stripped wood flooring throughout (with the exception of the kitchen and bathroom).

To the front of the property there is a fenced and gravelled front garden with a tiled path leading to the front door. There is

a secluded, private rear garden which is fenced and paved, with gravelled section.

Unrestricted street parking is available to the front of the property on Darnell Road.
