OFFERS OVER £450,000

STEPHENSON BROWNE

A beautifully proportioned home in one of Congleton's most desirable areas, offering spacious living and superb outdoor space – internal inspection is highly recommended to fully appreciate everything this property has to offer.

Tucked away in a quiet, exclusive cul-de-sac just off prestigious Park Lane, this attractive residence enjoys a prime location within easy reach of excellent schools, local amenities, Congleton Train Station, and major road links. Nature lovers will also appreciate the nearby countryside walks and proximity to the Macclesfield Canal.

The home itself has been thoughtfully designed with space, flow, and comfort in mind. The ground floor features an impressive lounge measuring over 18ft in length, complete with a bay window that enhances the natural light. From here, double doors lead through to a formal dining room, which in turn opens out onto the rear garden – ideal for both everyday family living and entertaining.

A well-appointed breakfast kitchen sits at the heart of the home, offering ample unit space and room for dining. This leads directly into the bright and airy garden room – a delightful space to enjoy year-round. A practical utility room and a downstairs cloakroom/WC complete the ground floor accommodation.

Upstairs, the property continues to impress with four generously sized double bedrooms. The principal bedroom benefits from a private en-suite shower room, while the remaining rooms are served by a stylish four-piece family bathroom finished in classic white.

The exterior of the property is equally appealing. The larger-than-average rear garden is fully enclosed and thoughtfully landscaped, featuring multiple patio areas, a built-in BBQ space, and mature trees and hedging for privacy – the perfect setting for outdoor dining and summer gatherings.

At the front, a spacious driveway provides ample off-road parking and leads to an integral single garage. Additionally, a substantial car port offers space for a caravan or the potential for conversion (subject to usual planning permissions).

An early viewing is highly recommended!
