Accessed over a private entrance and drive you have plenty of parking for numerous vehicles. Access to the large garage with electric door. Inside, there is a spacious reception hall which gives way to the majority of the rooms on the ground floor.

The lounge is to the right of the hall, which is a particular good size, dual aspect and enjoys a central fireplace, creating a lovely focal point to the room. Off of the hall there is a study which is perfect for those of you that are working from home, this could also be a 5th bedroom if needed.

The kitchen breakfast room offers enough space for a table and is the social and entertaining hub of the house. The kitchen itself has a range of preparation space with plenty of built-in storage perfect for those of you that enjoy home cooking. The sink enjoys a rather nice outlook on to the rear garden and with views of the estuary in the far.

The dining room is perfect for more formal dining and occasions to enjoy hosting family and friends. With doors that lead directly out onto the patio, offering a perfect outside entertaining space.

DETAILS

Whilst upstairs you have a selection of four further bedrooms with two ensuite shower rooms. The principal bedroom is a particularly good size room with fantastic views of the nearby greenery, fields in the far and the always active estuary.

The second bedroom offers an excellent guest bedroom with its very own ensuite, shower room situated on the opposite side of the building giving guests their independence. Bedroom three and four are similar proportions ending that age old child's argument over who gets the largest room.

The property benefits from two Juliet balconies to enhance the fantastic views over the rolling countryside. Bedroom three has been used more recently as a lounge which makes the most of the beautiful outlook but offers a versatile room for a whole plethora of uses.

Outside is where this property excels further, the current owners have spent more than just money on this garden and it offers the lucky new owners a pretty, sunny and enclosed space to simply enjoy. The current owners have upgraded the patio with now a large area to sit out and enjoy some alfresco dining.

The garden extends to about a quarter of an acre and there is further land potentially available at separate negotiation. Should this be of interest to any purchasers.

The garden also has two outbuildings one of which is a rather nice lodge which has the fantastic view towards the estuary and close by rolling lush greenery. The other is a fully fledged office space, currently used as an art room. With power, light and Wi-Fi connected. This is a perfect spot for those of you that are looking for a study which is separate to the house. There is a further greenhouse and two further sheds.
