Overview

Originally built approximately 8 years ago by Chichester Developments, and having the balance of the usual NHBC warranty, is this magnificent luxurious bungalow, originally configured as a 3 bedroomed property, set in a superb position, affording easy level access to the village amenities, the seafront, and Northam Burrows. The immaculately presented property has the benefit of an air source heat pump for the underfloor heating and hot water, and double glazing and shuttering to the windows, providing accommodation which is energy efficient, easy to maintain, and is ideally suited to anyone seeking a comfortable retirement residence. Available to the market with no onward sales chain, your early internal inspection is advised to avoid disappointment!!

Briefly the accommodation provides entrance porch and hall, with a useful store cupboard and access to the loft space, a superb living room, with a feature wood burner and stained glass window, and then leading to the conservatory, with a delightful mosaic tiled floor, overlooking the rear garden. The kitchen/diner is luxuriously appointed with an excellent range of quality integral appliances. The master bedroom now includes what would have been the 3rd bedroom and provides a generous sized room with fitted wardrobes, and en-suite facilities. The second bedroom also benefits from wardrobes. The family bathroom houses a stylish 3 piece suite.
