Large 6 Bedroom Georgian House, 2 x Stunning Holiday Lets, Stables & Land

The White House & Cottages Abbotsham, Bideford, EX39 5BG

This distinguished and elegant late Georgian Grade II listed gentleman's residence occupies a sought-after position on the edge of the popular village of Abbotsham, offering easy access to the stunning North Devon coastline. Parts of the property are believed to predate the Georgian era, with significant alterations and extensions carried out around the 1820s.

The well-proportioned six-bedroom residence extends to approximately 4,000 square feet and retains a wealth of original period features throughout. Externally, the property benefits from ample car parking, a garage area, and beautifully maintained walled gardens laid to lawn, alongside an orchard and productive vegetable gardens.

The main house is set within a plot of approximately 0.5 acres, with additional fenced and gated paddocks extending to around 3.5 acres. An impressive and sympathetically designed stable block complements the historical character of the Georgian property.

Additionally, there are two unique and highly successful holiday lets on the estate, generating an annual turnover of approximately £70,000. Ideally situated for visitors wishing to explore the breathtaking North Devon coastline and the wealth of tourist attractions the region has to offer, these holiday accommodations present a valuable income opportunity.

The property showcases its stunning original character and charming Georgian details throughout, including original floorboards, beautiful fireplaces, intricate plasterwork, tall ceilings, and traditional shutters, to name just a few.

On entering the home, you are welcomed into a large, light-filled entrance hall, complemented by a front lobby featuring an elegant fireplace with wood burner that provides a wonderful focal point. From the hall, several rooms lead off, including the lounge — a cosy and inviting space ideal for all the family, enhanced by a further wood-burning stove that offers a warm, welcoming atmosphere.
