A deceptively spacious 4/5 bedroom detached property within a handy location set back but fairly central to the popular village of Woolsery. Within a stones throw to the popular pub and restaurant, The Farmers Arms along with village shop (co-op), community hall, church and soon to be hotel/spa.

2 Lower Town has a lovely corner plot and wrap around gardens to suit. There are plenty of nooks and outside seating areas perfect to enjoy some alfresco dining or summers entertaining with family and friends.

There is ample off road parking for a couple of cars and level access to the garage which is a great storage space with light and power connected.

Inside there is a huge sense of space, the property has a large sitting room, further separate dining room with ample seating for a 6 seater table. The kitchen is to the rear of the property which has a range of built in storage cupboards, plenty of preparation space and flows nicely into the utility room. There is a further two bedrooms on the ground floor offering versatile living accommodation.

Whilst on the top floor there are a further two double bedrooms with additional box room which we understand may have plumbing to create a ensuite shower room. Or, for those looking for a 4 double bedroom house with additional study space this could be the perfect spot to work from home.

The property benefits from replacement UPVC double glazing throughout and central heating making for an efficiently performing property.

The ever-popular village of Woolsery (Woolfardisworthy) has seen significant investment in recent years, but still retains its sense of community and thriving village life. It has an excellent primary school, village shop/post office, historic church, modern village hall and sports centre.

It also has a newly renovated thatched public house - The Farmers Arms. Not far from the Atlantic Academy secondary school on the A39, and a few miles from the coastal village of Bucks Mills, the village is within easy reach of the rugged North Devon coastline.
