Tucked away in the heart of the sought-after village of Parkham, this beautifully presented three-bedroom detached cottage offers the perfect balance of character, comfort, and opportunity.

While the property retains its delightful cottage feel, modern upgrades such as UPVC double glazing, a newly installed boiler, and loft insulation ensure it is well equipped for today's lifestyle.

One of the true highlights of this property is the 0.81-acre pony paddock, divided into two plots. This versatile space is perfect for those with equestrian interests, smallholding ambitions, or those looking to explore business opportunities such as boutique glamping, thanks to its uninterrupted, far-reaching rural views.

Combined with the traditional barns and outbuildings, which offer further scope for development (subject to planning) - the property provides exciting potential alongside its charm.

The gardens are equally enchanting, lovingly maintained with mature planting, colourful borders, and pretty pathways. A shingle path leads through the grounds to reveal a tucked-away secret garden, offering a magical escape where you can relax in peace.

With storage sheds, a home office/studio, a pond attracting local wildlife, and plenty of space for alfresco dining, this outside area is a haven for gardeners, nature lovers, and those who enjoy outdoor living.
