Stockbridge is a traditional detached country house, with a wealth of charm and character, located within mature grounds extending to circa 0.6 acre. Pleasantly set within North Devons undulating patchwork countryside, Stockbridge has accommodation on 2 storeys, which benefits from PVC double glazing and oil fired radiator central heating, along with a number of character features as pictured. Phillips Smith and Dunn as selling agents are delighted to be able to offer this property to the market, which they think is ideally suited to provide a most comfortable family residence, with the additional ability to accommodate an elderly relative if so required, or deriving an income through the letting of the 'annexe' accommodation - an early viewing appointment is advised to avoid disappointment!

Briefly the accommodation provides an entrance porch, along with a warm and welcoming entrance hall housing the staircase to the upper floor, a superb sitting room with a feature fireplace with a log burning stove and a beamed ceiling, a fitted kitchen with ample storage and appliance space, which then leads to the conservatory, of a good size and overlooking the extensive gardens. There is a well equipped ground floor bathroom, and a ground floor double bedroom with an en-suite shower room, adjacent to which is a dual aspect sitting room with its own external access. To the first floor are 4 bedrooms, each with storage, with the main bedroom overlooking the gardens and grounds. On this floor there is a well equipped shower room.

Putford is a rural hamlet, set affording easy access into the nearby bustling self contained village of Bradworthy (approximately 3 miles drive away), which houses an excellent range of local amenities including various shops, post office, medical facilities and much more. The North Devon towns of Holsworthy, Torrington and Bideford are all approximately 20 minutes driving distance away, whilst the North Cornish coastal town of Bude, with its sandy beach, is approximately 30 minutes driving distance.

Barnstaple, North Devon's Regional Centre housing the areas main shopping, business and commercial venues, is approximately 30 - 40 minutes driving distance, where the North Devon Link Road/A361 connects through to the M5 motorway (J27) at Tiverton.
