

 2 Bedrooms |  1 Receptions |  1 Bathrooms |  EPC Current D

Two Bedroom House – Recently Refurbished – Period Features – Private Rear Patio – Modern Kitchen – Original Fireman's Cottage - Great Ealing Location – Close to Amenities – Fantastic Transport Routes.

Having been recently renovated to a fantastic standard, this quaint, two bedroom cottage is offered to the market unfurnished and is available from June. The windows and whitewashed walls reflect the property's history as a fireman's cottage and are keynotes to the charming characteristics within. The house continues into the spacious reception room which has beautiful, newly fitted wooden flooring, and a fireplace that makes for a lovely conversation piece. The kitchen is fitted with a range of modern appliances. Going through the kitchen's French doors will lead you to the private rear patio – a splendid suntrap, and ideal for barbecues. The first floor offers two double bedrooms with plenty of room for storage and a recently installed shower room.

St Mary's Square is in a marvellous Ealing location. Set just off South Ealing Road, the property has great transport links, both for buses, and for South Ealing and Ealing Broadway station – both inside a mile from the property. Ealing Broadway's Elizabeth Line will allow prospective tenants unparalleled access to London and beyond. Ealing Broadway itself is convenient for amenities, and the variety of shops, bars, and restaurants it can offer is truly impressive.
