Included as standard

From the external features to the finishing touches, every detail of our homes is designed with our customers in mind.

While you'll have the choice to upgrade some of our standard offerings, all of our houses are fitted with a range of high quality features at no extra cost to you.

You'll find a complete list of all items that come as standard in your house below.

Kitchens

All of our kitchens are fitted with beautiful units and worktops and you can choose your preferred style and colour to create your perfect cooking and entertaining space.

A range of accessories including stylish splashbacks, a stainless steel sink and Zeno Taps, and lighting give your kitchen a clean, contemporary finish. You'll get a modern, energy efficient Zanussi oven with built-in gas hob and integrated hood and extractor fan too.

For those homes with utility rooms units will be fitted to match your chosen kitchen style, complete with a stainless steel sink and Zeno Taps.

Energy efficiency

We carefully consider how to design our homes to be energy efficient. Sustainable features can be seen throughout our homes, from high quality insulated roofs, walls, and windows, to energy efficient appliances, and water saving taps. Our new build homes come with a smaller carbon footprint than an equivalent second-hand property, which is great news for the planet and means lower energy bills for you.

Bathrooms, en suites and shower rooms

Modern white sanitaryware, including toilet, basin and bath with chrome Ideal Standard taps give your main bathroom a clean look. The same sanitaryware is fitted in en suites and shower rooms which also benefit from an Aqualisa shower and glass enclosure.

For a distinct look, we offer a varied range of Porcelanosa ceramic wall tiles for you to choose from to make your bathroom and en suite stand out from the crowd.

Outside

The outside of your home is just as carefully considered as the inside. Your back garden includes a slabbed patio area and your privacy is protected by a garden fence. You'll also have an outside tap included to make watering your plants that bit easier!

All of the specification listed is included in our houses as standard. For the specification included in our apartments, please see the separate apartment specification list.
