Outbuildings

The greenhouse leads out to a concreted yard area giving access to a large brick built shed with window to garden and power points, and a second brick built shed.

Building Plots

The plots benefit from Outline Planning Permission N/105/01361/21. The Plots are separately accessed by the roadway leading from the northwest corner of Plot 2 running west, then south, to St Marys Lane. The mains services to the plots will be routed from St Marys Lane past the side of the main house. In the event that a single purchaser does not acquire the whole property, the relevant rights and duties will be written into the legal documentation.

Plot 1

The generously sized plot is available to be purchased separately or collectively alongside the residence and the second plot. The plot is approximately 0.2 acres and is found towards the rear end of the property's current garden. It was the grass tennis court of the house for many years, and has the dimensions to be so used again if desired. A glazed summer house stands to the northeast corner.

Plot 2

The generously sized plot is available to be purchased separately or collectively alongside the residence and the second plot. The plot is approximately 0.25 acres and is found at the far end of the property's current garden. A substantial block-built two storey double garage building stands in the northwest corner, which could be restored to garage use by a purchaser of the whole property if desired.

Garden

The property stands in extensive grounds and benefits from both a front and rear garden. The gardens feature a plethora of mature plants, trees, and shrubbery which flood the garden with life.

Driveway

The property benefits from a private driveway which provides off the road parking for several vehicles.

Tenure
