Set on a tranquil street in Walthamstow, this property boasts a perfect blend of classic Victorian features and modern amenities, making it a truly special place to call home. As you step inside, you are greeted by an expansive living space, perfect for entertaining guests or relaxing with your family. With its bay windows and high ceilings, natural light floods the room showcasing the restored original flooring, classic coving and a working fireplace. Venturing to the rear of the property you will find the fully fitted kitchen, which has plenty of worktop and storage space, integrated appliances and is equipped with a range cooker and butler sink. Adjacent to the kitchen is a useful conservatory that takes you out into the private and well maintained (approx. 35ft) rear garden.

Heading upstairs you will find three well-proportioned bedrooms, the front room enjoys additional space and light thanks to bay windows, and is completed with built-in storage. The second bedroom is a generously sized double followed by a family bathroom, which is parallel to the rear bedroom and works perfectly as a guest room, nursery or home office. While there already is ample space in this beautiful family home, the loft has also been converted giving you an additional bedroom to enjoy, which is complete with its own shower room and additional built-in storage.
