A Charming and Spacious Three Bedroom Family Home

From the outside, the dark exterior may seem unassuming, but step inside, and you'll be greeted by a complete transformation. The entire interior has been given a fresh, light and airy feel with a meticulous re-paint throughout the house. As you enter through the front door, you'll be delighted to find a large, open-plan living and dining space. The room is flooded with natural light, courtesy of the expansive bay windows that create a warm and inviting atmosphere. Adding to the charm, the original wood flooring runs gracefully through this space, accentuating the classic character of the home. To enhance the ambiance further, a beautiful feature fireplace takes centre stage, offering both elegance and cosiness. The adjoining kitchen is both practical and has been thoughtfully equipped with all the required appliances to cater to your culinary needs. Conveniently located on the ground floor, a well-appointed three-piece family bathroom awaits. Venturing upstairs, you'll find three spacious bedrooms, each adorned in neutral tones that exude tranquillity.
