A Split Level Maisonette in the heart of Walthamstow Village.

Heading upstairs through your own private entrance you will find a large open-planned living and kitchen space that has been redesigned and recently decorated. The kitchen has been kitted out with a new integrated dishwasher, oven and hob as well as a new fridge and freezer. The kitchen provides plenty of storage with ample worktop space for food preparation, including a large island for dining or for you to use as a workspace. To the rear of the property you will find a bright three-piece shower room, with a brand new double glazed window. Upstairs brings you to a carpeted double bedroom with plenty of eaves storage space and a built in wardrobe.. Further benefits include full gas central heating, a large cupboard housing the washing machine as well as providing additional storage and a full alarm system for your security.
