A spacious five-bedroom Victorian home with a garden studio, just a short stroll away from Walthamstow Central.

Set across three floors and offering an impressive amount of living space, this well presented five-bedroom Victorian mid-terrace home sits on the ever-popular Belgrave Road in Walthamstow. With its charming exposed brick double bay frontage and thoughtfully extended layout, this is a fantastic opportunity for growing families seeking a stylish and spacious home in a prime E17 location.

The ground floor welcomes you with two reception rooms, perfect for both relaxing and entertaining. At the rear, a generous kitchen-diner with a modern finish opens out onto a well-maintained garden through French doors, making this the heart of the home. The kitchen is flooded with natural light thanks to a large skylight and offers ample storage and worktop space.

Upstairs, the first floor offers three bedrooms and a well-appointed family bathroom, while the top floor benefits from two additional double bedrooms, providing plenty of space for family, guests or even a home office setup.

The rear garden is a real highlight — a low-maintenance space ideal for entertaining, dining or unwinding, and it's complete with a versatile garden studio/home office, perfect for remote work or creative pursuits.
