MORGAN H LEWIS

MORGAN H LEWIS

Morgan H Lewis are pleased to bring to market this recently renovated corner semi-detached home, finished throughout to a genuinely beautiful standard. Located on the popular Whelley estate, the property sits just a short walk from the woodland paths of the Haigh Woodland Park Estate, while still offering very easy access to Wigan town centre and its excellent rail links to Manchester and Liverpool. The M6 and M61 are also within convenient reach for commuters.

The current owners have approached the renovation with real attention to detail, creating a home that feels modern, considered and ready to enjoy. Fully refurbished since June 2025, virtually everything within the property is newly installed, ensuring a fresh, contemporary living environment. Offered fully furnished, the home allows the next owners to simply move in and settle straight into the space. Included within the sale are two sofa beds, brand-new beds with new mattresses, a newly fitted Howdens kitchen complete with all new kitchenware, a collection of quality paintings, a Ring doorbell with chime, new smoke alarms, a Time-o-stat remote heating system (app-connected), and a new boiler with a five-year warranty. The décor and furnishings together represent an investment of approximately £20,000. The property also benefits from new, fully double-glazed windows, as well as up-to-date safety certification, including a recent EICR and PAT testing.

The entrance hallway is welcoming and leads to the first floor. The living room is bright and well-proportioned, with a walk-in bay window that brings in abundant natural light. To the rear, the newly refitted Howdens kitchen-diner features high-gloss base units paired with oak-effect wall units, arranged around integrated appliances including a fridge-freezer, oven, induction hob and washer/dryer.

Upstairs, there are three well-presented bedrooms: two comfortable doubles (with a king bed in the master and a double bed in the second), each finished with soft carpeting and modern décor, and a third single room. The bathroom has been completed to a high standard, combining marble-effect tiling with a colourful feature wall, and includes a shower over the bath, a vanity basin and WC.

Externally, the home is garden-fronted, and the rear garden is low-maintenance and neatly finished, benefitting from a private aspect with no properties overlooking from behind. A detached single garage provides useful additional space—ideal for storage or suitable for conversion into a home gym, office, or summerhouse. The property also enjoys parking on two sides, ensuring no parking issues for residents or visitors.

This home has been beautifully updated to an exceptional standard, and early viewings are recommended to appreciate the quality of the finish.
