Upon entering the property, you are greeted with an open and airy entrance hall with ample under stairs storage and Karndean flooring that continues into the kitchen. Located to the front of the property, the kitchen is fitted in a modern white gloss style with laminate wooden worksurfaces over and benefits from an integrated fridge freezer, dishwasher and washing machine as well as housing the gas central heating boiler. Completing the ground floor space is a downstairs cloakroom and a lounge diner. This spacious room is flooded with light from the bi-folding doors which provide access to the garden. To the first floor, there are two generous double bedrooms, ample fitted storage and a well-presented bathroom which is fitted in a contemporary white, three-piece suite. The single garage can be found adjacent to the property which provides storage in the eaves as well as power and lighting. The rear garden is larger than average and enjoys excellent levels of privacy due to the woodland behind. The garden is mainly laid to lawn with a large section of patio, perfect for outdoor dining. To the front, there is a pleasant front garden and a driveway to the front of the garage. Viewing of this rarely available home is highly recommended and can be organised by contacting our St Ives office.
