Agent's introduction

A well designed new-build property in the sought-after Compass Point development. Situated less than one mile from Swanage beach and within easy reach of the town centre and highly regarded schools. This property was built less than four years ago and benefits from the remainder of the NHBC warranty.

Seller's introduction

We chose this home because it provided the space we needed as a family, and as it was a new build we could move straight in. We've loved being so close to the beach and the stunning coastal paths.
