First class service from Colin. Nothing was too much trouble and he followed everything through from the first enquiries to the successful completion. He was always on hand and very quick to respond. I felt that I mattered which has not always been my experience with other agents.

I cannot recommend Hive enough! My flat had been on the market for several months with no offers and I had not managed to sell, despite many viewings. Within a week of listing the flat on the market with Hive it was sold. Thanks to the experience, knowledge and hard work of Hive's team, the sale was a smooth and stress-free process. I would highly recommend Hive to anyone looking to sell their property.

My local HIVE agent was always available at the end of the phone and kept me regularly updated throughout the sale. The initial feedback from viewings was received immediately, and he even gave guidance to inform our onward purchase. The best in the area!

Hive took on our property after we had a very disappointing experience with another agent. They came in took some great photos and drone footage of the property and got straight to work. We had several viewings which lead to the sale. They kept in contact and provided weekly updates on the number of hits the house was getting. If you're thinking of selling give Hive a chance.

Nick Beavan recently carried out a valuation for our family, a brilliant. He was incredibly helpful and took the time to explain everything. He answered all of our questions with great professionalism. We felt very comfortable in his expertise throughout the process. A great agent – highly recommended.

HIVE went above and beyond to capture fantastic photos using virtual staging to show the home's full potential. The result was a beautifully presented listing that really stood out and ultimately led to a successful sale.

Paul & the HIVE team, thank you for helping us finally get over the hump! After months of working with our real estate agent, you came in like a breath of fresh air. Your fabulous service, wonderful attitude, and property, and we had a great deal of fun. What more could a buyer ask for?
