Grove Lodge, London, SW4 7AE

£500,000

A well-presented, spacious apartment for sale in the heart of Clapham and situated just off Clapham Common's south side. The property is full of character and comprises a large reception with high ceilings and sash windows, separate kitchen, bathroom and very spacious bedroom.

The property is share of freehold, has wood flooring throughout and as Crescent Grove is a private road, parking can be arranged with a resident permit.

Crescent Grove was built as, and has since remained, a private estate, laid out by Francis Child in 1827 in the Regency style, with a beautiful crescent-shaped garden filled with mature trees and shrubs.

The grove is managed by a board of trustees who retain control over the roads, gardens and lighting - the last private estate in London to do so. Crescent Grove is part of the Clapham Conservation Area.

You are located within minutes of the numerous bars, cafes, restaurants and trendy boutiques. The local transport links provide direct access into the city and West End!
