Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Carberry Grange.

Just two miles from the intersection of the A1 and the City of Edinburgh Bypass, Whitecraig offers a rare blend of rural appeal and outstanding strategic convenience. Carberry Grange is ideally placed for travel to the East Lothian coast and countryside as well as into Edinburgh and the central belt. Direct buses from Whitecraig to Musselburgh are complemented by more frequent services into Musselburgh and Dalkeith, from where there are excellent links with the capital. Trains from Musselburgh station, one and a half miles away, run approximately every half hour and reach Edinburgh Waverley in eight minutes, bringing the world-renowned shops, galleries, museums, theatres and music venues of the capital into range. There is another station two miles away at Wallyford, and both have Park and Ride facilities with vehicle charging points.

This attractive new neighbourhood of three, four and five bedroom homes, close to local shops and a primary school and within walking distance of Musselburgh and Dalkeith, brings modern, energy efficient living into the popular village of Whitecraig. Within easy reach of Edinburgh's shops and cultural attractions, it presents a rare opportunity to enjoy the calm of village life with all the cosmopolitan amenities of the Festival City on hand. The Miller Difference

The Miller Difference
Every home we build is the start of an adventure. For more than 85 years we've watched people stamp their individual personalities on the homes we build. What we create is your starting point. Our job is to make sure it's the best one possible.

Shaped around you
For more than three generations, we've been listening to our customers. We know what you expect: the highest quality materials, the most skilled workmanship, ready to be shaped around your lifestyle.

Built on trust
Figures and statistics matter. We have, for example, a five star rating for Customer Satisfaction, the best possible, from the Home Builders Federation.

Even more important, though, is the feedback we get from our customers. After we've been with them on the journey from their first enquiry to settling into their new home, well over 90% say they would recommend us. That's the real measure of the trust they place in us.

Helping where we can
You might already have a clear picture of life in your new home. Or it might be a blank canvas. Either way, getting there is an exciting journey of discovery. And we're here to help.

From the first time you contact us, whether by phone, video call or a tour of a show home, we'll be listening carefully. Only you know what you want, but we'll be working with you to achieve it.

And we'll still be on hand, ready to help, long after you move in, quietly sharing your pride and satisfaction.

Pushing up standards
From beautiful locations and superb architectural design to meticulous construction work and exceptional finishes, our expertise is widely acknowledged. Our award-winning developments embrace state-of-the-art technologies and green thinking, but we never lose sight of the importance of craftsmanship. Every step is subject to rigorous Quality Assurance checks, and we reward our highly trained teams for safe and careful practice.

A smooth customer journey
Our award-winning service reflects the same high standards. As we guide you through your choices, decades of experience inform every step. So you can relax and enjoy the journey, knowing you have all the information you need.

With you every step of the way
After meeting your Development Sales Manager, who will help you choose and buy your new home, you'll be introduced to your Site Manager, who will be responsible for every aspect of the building work. They'll both be happy to answer any questions you have.

Fully involved
Your new home will quickly be moulded to your personal choices. So will our service. Once you tell us how you want to keep in touch, whether by phone, text, email, our custom designed app or via our website, that's how we'll keep you regularly updated and informed. You'll be able to access all the records of meetings, and see what happens next.

Make it your own
Even before you move in, there's the excitement of planning your interior. Choosing tiles and worktops, making decisions about appliances. We'll help wherever we can. Our Visualiser, for example, can help you make selections online then see them for real in the Sales Centre. Already, it's becoming your own, personal, space.

A place to grow
For us, the mark of success is seeing every home become unique, an individual reflection of the people who live there, and watching it become part of a thriving community.

By creating sustainable homes, in sustainable communities, we're helping to build a sustainable future for everyone. Including ourselves.

At a safe time during building, we'll invite you to visit your new home for a Progress Meeting where you can see the craftsmanship and attention to detail for yourself before it's covered up by fittings and finishes.

your home
your way...

Five minutes' walk from Carberry Grange, Whitecraig General Store caters for everyday needs, and another convenience store and off-licence half a mile away incorporates Whitecraig Post Office. Local restaurants include the Mercat Bar and Grill, a Brewer's Fare pub, and fine dining in unique surroundings at Carberry Tower Mansion House.

Musselburgh and Dalkeith, both around two miles away, feature traditional high streets with a wide choice of shops and services, restaurants, cafés and pubs. In Musselburgh, which can be reached via a pleasant walk alongside Musselburgh Golf Course and the River Esk, local traders such as the celebrated Luca's Ice Cream Factory are complemented by a Tesco supermarket, and Dalkeith offers branches of Morrison and Lidl.

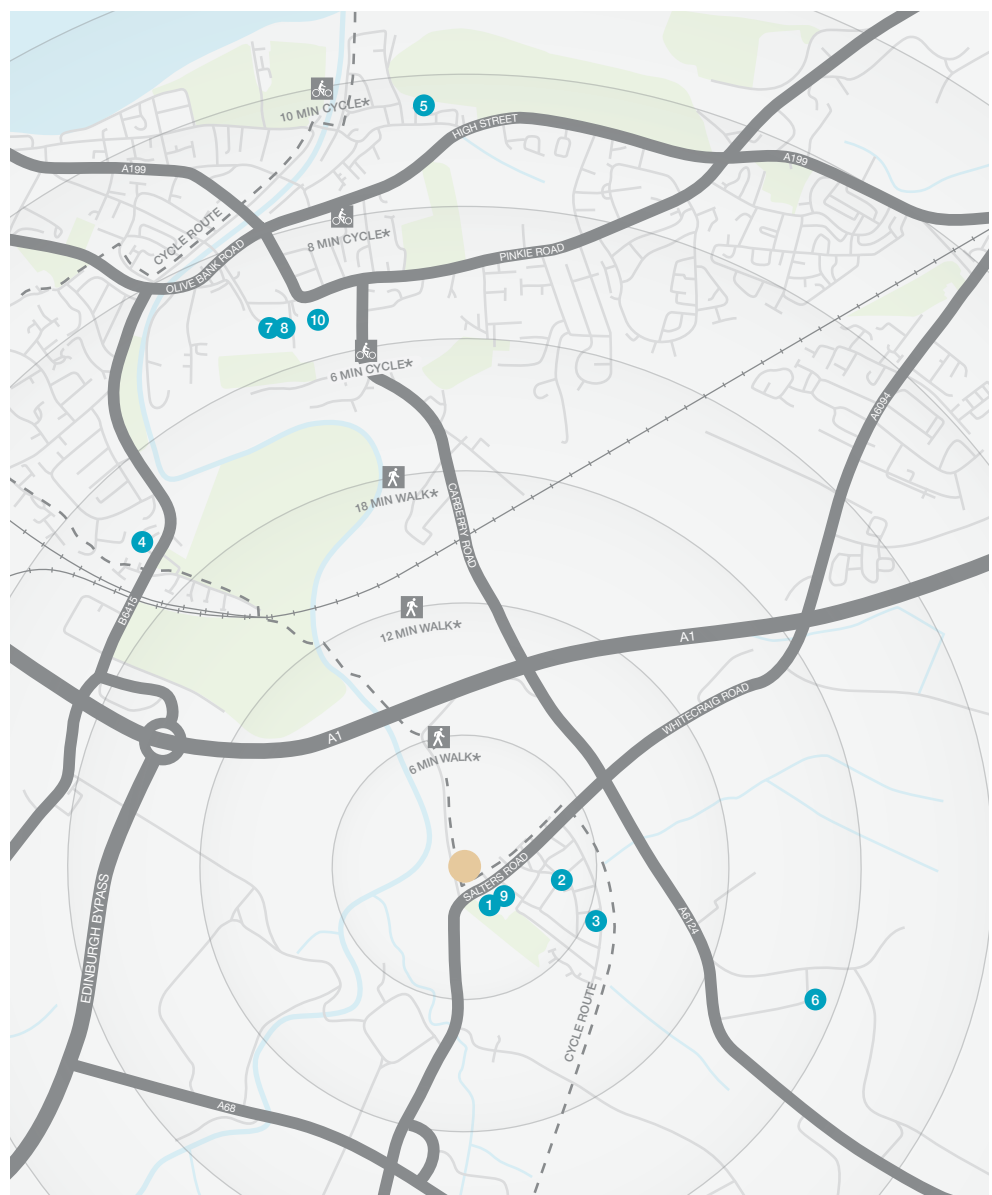

Whitecraig's amenities include a new Village Hub for community activities, a football pitch and a play park. Local attractions include Musselburgh Golf Club, one of the many excellent courses along the East Lothian Coast, and the celebrated Musselburgh Racecourse, which loops around the nine-hole Musselburgh Links golf course. The magnificent expanse of Dalkeith Country Park complements the many beaches and coastal attractions stretching from Portobello to North Berwick, and Edinburgh's Fort Kinnaird retail park, less than ten minutes drive away, has an Odeon Cinema and a PureGym.

Health provision includes two medical practices within Musselburgh Primary Care Centre, and a wide choice of dentists in Musselburgh and Dalkeith. Whitecraig Primary School, just five minutes walk away, also offers nursery provision and Whitecraig is in the catchment area for Musselburgh Grammar, a secondary school with strong community links and a good academic record. There is also an RC High School, St David's, in Dalkeith.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.
