“

I absolutely love the flow of this house. The way the reception rooms all interconnect is perfect for both growing families and entertaining. Limeway Terrace is a hidden gem, tucked away yet incredibly convenient for day to day life.

”

Tucked away on sought-after Limeway Terrace, this beautifully presented four-bedroom, two-bathroom semi-detached home offers generous living space, stylish interiors, and a layout ideal for modern family life.

The ground floor features a welcoming hallway leading to a bright open-plan kitchen and breakfast room with modern units, ample worktops, and space for family dining — the true heart of the home. A spacious living room overlooks the garden, while a versatile front room serves as a playroom, snug, or home office. The large dining area opens directly to the garden, perfect for entertaining, and a ground-floor cloakroom adds convenience.

Upstairs are four well-proportioned bedrooms, including a light-filled principal bedroom with ensuite.

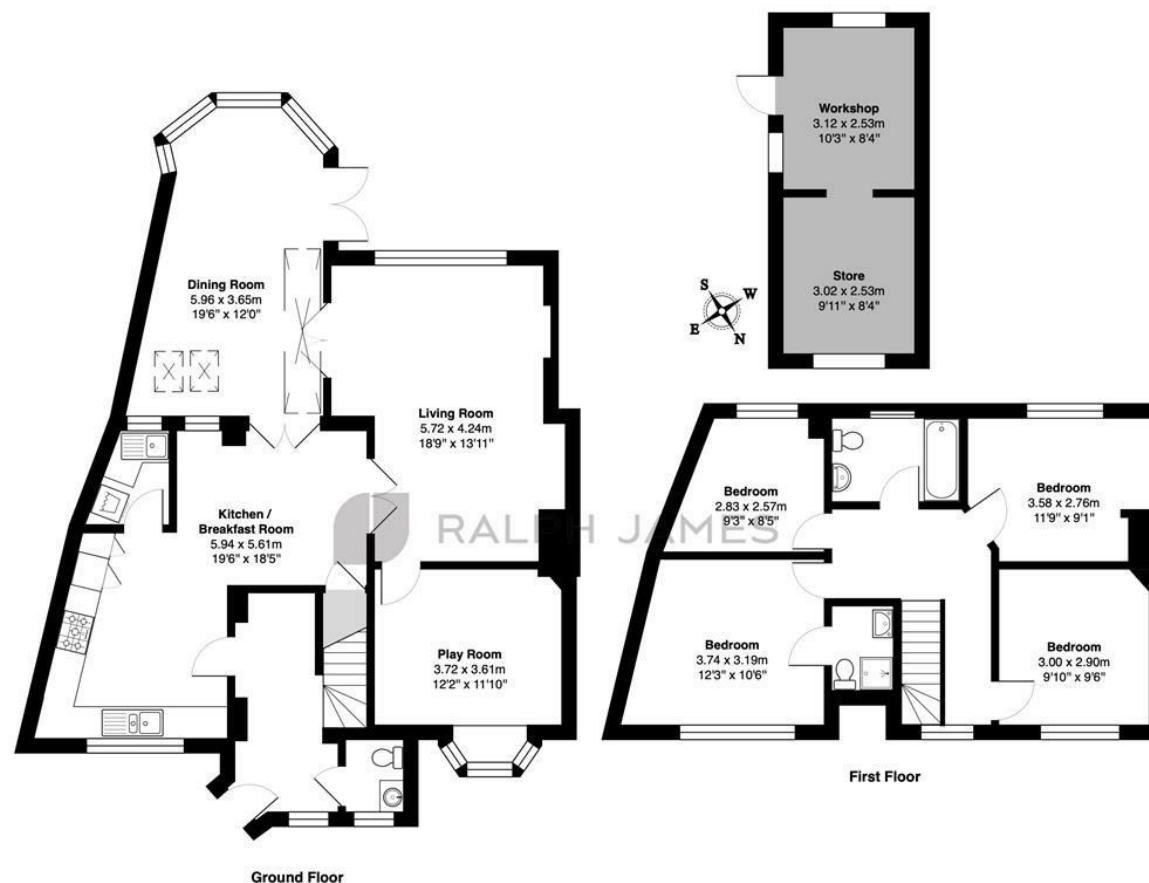

Outside, the private rear garden provides space for outdoor dining and play, with a detached workshop and store at the back — ideal for hobbies, storage, or conversion into a garden office (subject to permissions).
